

NUMBER 27

Sir, it is all stratagem and political fraud. They have but one name, and that name they have had from the commencement of the Government, and it is significant of their principle. Their principles are well established and well understood by the reading and thinking community, and simply consist in an attachment to all those institutions which have for their object the dwarfing the sovereignty and independence of the State; aggrandizing and strengthening the Federal Government; the establishment of monopolizing institutions, which, in their nature

is provided for. Their masters are under legal obligation to do this for them by the laws of the State in which they live. Some of the slaves are, without doubt, treated ill by their master, & they must suffer the wrongs

curious philosophical problem. That the races cannot live together upon terms of equi-

Speculative abolitionism is one thing, political

abolitionism another. The effects of slavery immediate and remote, upon a community where it is permitted to exist—this is an interesting question. The probably destiny of the three races whom a wise Providence has brought together within the bounds of this country, the Indian, Anglo-Saxon, and African—this is a curious philosophical problem. That these races cannot live together upon terms of equal
